P alternate athletes are non-competing athletes, and are not included within the athlete's quota as described in section **B. Athletes Quota**. More detailed information about access rights and entitlements can be found in the '*Accreditation at the Olympic Games – Detailed Specification*'. P alternate athletes can only become competing athletes as per the conditions outlined in the '*IOC/PyeongChang 2018 Late Athlete Replacement policy*'.

In Bobsleigh competitions, "P" alternate athletes (according to the distribution table below) may be part of the crew as a substitute. In principle, the same crew must take part in each run. However, in the event of injury or illness, it is possible to change the members of the crew – except for the pilot – with the approval of the Jury.
