Qualification in different boat class over same distance

An athlete who qualifies more than one (1) athlete quota place in different boat classes (i.e. K1, K2, K4 or C2 and C1) will be attributed for his/her NOC only one (1) athlete quota in the largest qualified boat class (regardless of how many places that athlete qualifies in other events).

The remaining athlete quota place would be reallocated to the next best placed NOC, not yet qualified, using the following procedure:

i) should two (2) athlete quota places be available from team boats in the same gender and category (for example: Men’s Kayak, Men’s Canoe or Women’s Kayak) then the places will be added together

and given in that category to the next best placed NOC, not yet qualified, (K2 and C2 1000m distance for Men and K2 500m distance for Women);

ii) if one (1) athlete quota place is available from team boats then the reallocated athlete quota place will be used to fill team boats where an athlete quota place is required within the same category and gender (for example: Men’s Kayak, Men’s Canoe or Women’s Kayak) to complete a boat quota starting with largest distance and largest boat (K4, K2 and C2 1000m distance for Men respectively and K4 and K2 500m distance for Women respectively);

iii) If the athlete quota place is unable to fill team boats following the procedure outlined above then the place will be returned to the single events (i.e. K1 Men, C1 Men, K1 Women) in the same category and distance from which the athlete quota place came from.

Qualification in the same boat class over two distances

If the same athlete qualifies the two (2) boat quota places in Women’s K1 200m & K1 500m and Men’s K1 200 & K1 1000m and Men’s C1 200m & C1 1000m, the NOC will be attributed those two (2) boat quota places and one (1) athlete quota place in K1 W 500m, K1 M 1000m and C1 M 1000m events respectively.

If the same athlete qualifies the two (2) boat quota places in K1 200m and K1 500m, the NOC will be attributed those two (2) boat quota places and one (1) athlete quota place in K1 200m.

If the same athletes qualify the two (2) boat quota places in K2 W 200m and K2 W 500m, the NOC will be attributed those two (2) boat quota places and the two (2) athlete quota places in K2 W 500m.

The unused athlete quota place(s) will be reattributed in that event to the next best placed NOC, not yet qualified.
